Summary

I have teaching and research experience of 17+ years and am currently working as a Professor and Head of Department in the faculty of Computer Science & Engineering at Swami Keshvanand Institute of Technology, Management, and Gramothan, Jaipur – India. Prior to this, I also worked as a Postdoctoral Researcher at Writing Lab, Institute for Future of Education, Technologico De Monterrey (QS Ranking:184), Mexico. I am a Senior Member of the IEEE-Delhi Section, a Life Member of the Institution of Engineers, India (L-IEI), Member of EdTech Society India and a Life Member of the International Association of Engineers (IAENG). I was a member of an Indian contingent of the BRICS International Forum that travelled to Moscow, Russia, to attend Russian Energy Week 2018 and the BRICS Youth Energy Summit.

I have more than 35 publications in reputed international journals, conferences and book chapters. Apart from this I also authored books on Operating System and Cloud Computing. I have participated and delivered at various national and international forums by prominent industries and academic organizations. My research activities are twofold: while the first is to explore the developmental enhancements in education technology and innovation, the second central research theme focuses on Natural Language Processing and sentiment analysis.

Research Projects

Project title: OBEXcel: Online Evaluation of Teaching and Learning Outcomes

Scheme: NOVUS, 2024

Funding Agency: Institute for the Future of Education, Tecnologico de Monterrey, Mexico

Funding Amount: 181,681 MXN (7.85 Lacs INR Approx.)

Project Status: Ongoing

Role: CO-PI

Funding Acquired

- Anusandhan National Research Foundation funding for organizing International Conference on Next-Gen Computing and Communication Systems (ICNCS-2025) during 17th -18th April, 2025. **(Fund: 250,000 INR)**
- ATAL Academy Sponsored Faculty Development Programme on Data Analytics for Decision Making: Tools and Techniques during 3rd – 8th February, 2025. **(Fund: 100,000 INR)**

Authored Books

Professional Membership

1. IEEE Senior Member (Member No. – 96246958)
2. Life Member – IEI (The Institution of Engineers, India) (LM-164230-2)
3. EdTech Society – Membership ID 10418
4. Life Member – IAENG (international Association of engineers) Member Number - (113578)

Editorial Membership

1. Review Editor, Frontiers in Computational Neuroscience
2. Review Editor, Frontiers in Education: Digital Learning Innovations
3. Guest Editorial member, PLOS ONE Journal.

Professional Experience

- ❖ Professor & Head (Department of Computer Science & Engineering)

Swami Keshvanand Institute of Technology, Jaipur (10 May 2024 – Current)

- ❖ Postdoctoral Researcher

Writing Lab, Institute for Future of Education, Tecnologico de Monterrey, Monterrey Campus, Mexico (10 January 2023 – 28 February 2024)

Roles & Responsibilities:

- Active involvement in the lines of research within the Writing Lab and dynamic collaboration with the core members of the team
- Providing excellent mentorship to 1-2 education-related projects of professors of Tecnológico de Monterrey
- Publication of journal articles in Q1 or Q2 Scopus-indexed journals (as a result of mentor-mentee interaction and/or collaboration within Writing Lab)
- Publication of a Q1 thought leadership meta-analysis on the future of education in the light of the 17SDGs of the UN
- Production of handouts on relevant topics to enrich the website of Writing Lab.
- Active involvement in the organization of upcoming workshops and conferences.

❖ **Associate Professor & Dy. Head (Department of Information Technology)**

Swami Keshvanand Institute of Technology, Jaipur (11 March 2009 – 6 January 2023)

Roles & Responsibilities:

Responsibilities as a Dy. Head

- Academic and administrative management of the department in coordination with the Head of the department.

Responsibilities as Departmental coordinator for AICTE-National Board of Accreditation

The National Board of Accreditation (NBA) is a major body responsible for accreditation of higher education institutions in India. NBA accredits technical programmes, such engineering and management programmes. NBA is a full member of the Washington Accord. The work included:

- Re-defining of Program Educational Objectives and Program outcomes.
- Updating and formulation of PO-CO mapping to best outcomes of a course.
- Regular auditing of documents and preparation of audit reports. Comparison of previous year reports to generate educational gaps.
- Define and regulate a process in the department for continuous quality assessment.

Responsibilities as Coordinator, RTU Recognized Centre of Excellence for Internet of Things (IoT-COE)

- Providing training, internship, and consultancy opportunities
- Providing a platform for peer faculty and student group to enable themselves in IoT
- Organizing various workshops, training programmes under the centre of excellence
- Invite and collaborate with industries/start-ups/incubations for their contribution to the CoE.

Responsibilities as Training & Placement Coordinator : CSE, IT & ECE Departments

- Successful conduction of pre-placement training programmes.
- Coordination of placement activities at departmental level.
- Communication with alumni to get regular feedbacks and scope of improvement.

Responsibilities as Campus Recruitment Training Programme (CRT) Coordinator

- Coordination with TIME Institute to arrange campus recruitment training for pre-final year students.

- Arrangement of special talks, motivational workshops for pre-final year students regarding importance of industrial training and project development.

Responsibilities as Core Team Member for Infosys Campus Connect Initiative

- Successful conduction of Infosys Campus Connect program within and outside department.
- Regular visit to Infosys D.C.s to get updated with their latest foundation programs (FEPs).

Coordinator for SKIT-IBM Academic Initiative

- Arrangement of trainings on IBM Specific tools like DB2, RAD, WAS, IBM Bluemix under SKIT-IBM Academic initiative.

❖ Assistant Professor (Contractual Position)

Central University of Rajasthan (6 July 2012 – 9 July 2013)

Roles & Responsibilities:

- **Member**, Departmental Placement Committee
- **Member**, Annual Magazine Committee, Departmental Reports, University Bulletin

Research Scholars Guided

14.	Swati Khemka	M. Tech.	User Defined Time and Cost Constraints Based Resource Allocation algorithm in Cloud	2015-16
15.	Poonam Malpani	M. Tech.	A Novel Framework for Extracting GeoSpatial Information Using SPARQL Query and Multiple Header Extraction Sources	2014-15
	Ashish Tiwari	M. Tech.	An optimized scheduling algorithm for cloud broker using adaptive cost model	2012-13

Technical Contributions

- **Resource Person** for *“AI for Social Impact & Ethical AI”* in AICTE ATAL Faculty Development Programme (FDP) “Next-Gen Computing for Sustainability: Intelligent Technologies and Data-Driven Solutions”, organized by CHRIST (Deemed to be University), Delhi NCR, Ghaziabad, India, from 17th November 2025 to 22nd November 2025.
- **Special Session** on “Human-AI Collaboration in Decision Support Systems” in 17th International Conference on Intelligent Human-Computer Interaction (IHCI) Conference organized by Banasthali Vidhyapith during 14th – 16th November 2025.
- **Special Session on “Digital Development Artificial Intelligence”** in “BANDUNG AT 70: Assessments and Perspectives to Build the World Anew” conference organized during 28th October – 5th November 2025 at Indonesia.
- **Keynote Speaker** in “International Conference on Smart Cyber Physical Systems (ICSCPS-2024)” organized by Christ (Deemed to be University), Delhi NCR Campus during 13th-14th September 2024.
- **Expert session** in “Techno-Savvy Academics”, organized by Writing Lab, Institute for Future of Education, Tecnologico de Monterrey, Mexico, 3rd August 2023.
- **NPTEL Active Translator unique ID: Tran3149**
- **Expert Talk** on “Technological innovations in Education – EdTech” in Student Oriented Lecture Series on Emerging Technologies organized by Department of Electronics & Communication Engineering, Swami Keshvanand Institute of Technology, M&G, Jaipur, Date: 21st -23rd September, 2022
- **Technical Program Chair**, 5th International Conference on Electronics, Communications and Control Engineering (ICECC 2022), organised by Fukuoka Institute of Technology, Higashi-ku, Japan, during March 25-27, 2022
- **Technical Program Chair**, 5th Springer, International Conference on “Emerging Technologies in Computer Engineering: Cognitive Computing and Intelligent IoT.”(ICETCE-2022), 4th – 5th February 2022, proceedings to be published in CCIS Series, Springer.
- **Guest Speaker**, One Week (Online) Short Term Training Program on "Writing and Publishing of Quality Research Articles and Ethics of Research" Organized by, Department of Electrical Engineering, Swami Keshvanand Institute of Technology, M&G, Jaipur, Date: 21-25 February, 2022

- **Publication Chair**, 4th International Conference on “Emerging Technologies in Computer Engineering: Cognitive Computing and Intelligent IoT.”(ICETCE-2022), 4th – 5th February 2022, proceedings published in IOP Science-Material Science & Engineering.
- **Session Chair**, 2nd International Convention on Green Environment, Technology & Entrepreneurship through Innovation (ICGETEI-2022), 03rd - 05th March, 2022 || Amity University, Rajasthan, India
- **Convener** for a Five-Day Faculty Development Programme on “Outcome Based Education – A Paradigm for Assessment & Accreditation” held during 24th – 28th August, 2021.
- **Expert Lecture “Acquaintance in LaTeX”** in one week faculty development programme on “Advance Research Methodology & Writing of High-Quality Research Paper, organized by Department of Management Studies, SKIT, Jaipur.
- **Session Chair**, International Conference on Global Entrepreneurship Trends & Empowerment through Innovation, March 5th – 6th, 2021 || Amity University, Rajasthan, India
- **Publication Chair**, ICETCE-2020, 3-4 February 2021 || Swami Keshvanand Institute of Technology, Management & Gramothan, Jaipur, Rajasthan, India
- **Volunteer Proctor guide** for IEEE Xtreme 14.0 programming contest.
- **International Advisory Committee Member**, SUSCOM-2021, March 19 - 20, 2021 || Sri Balaji College of Engineering & Technology, Jaipur, Rajasthan, India
- **Host Institute Coordinator**, for TEQIP-III sponsored Web-Hack and H.R. Conclave: Recruitment and Technology 4.0, held on 28th – 29th September 2020.
- **Convener**, Beyond the Boundary: Reinventing Horizons, Webinar Series organized by SKIT, Jaipur during May & June 2020
- **Certified Judge** for Smart India Hackathon-2020, Software Edition Grand Finale during 1st – 3rd August 2020.
- **TPC Member** for 2020 International Conference on Computer Communication and Information Systems (CCCIS 2020), held during August 1-3, 2020.
- **Reviewer** for "Journal of Parallel and Distributed Computing" (SCI & SCOPUS Indexed Journal)
- **IBM DB2 Certified**
- IEEE Continuing Education Certification for “**Cloud Computing Enable Technologies**”, 2015

FDPs, Workshops & Schools Attended

- 3-day workshop on “**Data in Action: Digital Ecosystem and Emerging Tools for Education**” organized by Institute for the Future of Education, Tecnologico de Monterrey, Mexico, during January 16th to 18th, 2023.
- Global Initiative for Academic Networks (GIAN) course on “**AI for Information Retrieval and Extraction**” organised by MNIT, Jaipur, during 9th – 13th May, 2022.
- One Week STTP on “**NBA Accreditation for Engineering Colleges**” organized by NITTTR, Kolkata, during 4th -8th October, 2021.

- TEQIP-III Sponsored 5-day Faculty development Program on **“Statistical Learning Based Internet of Things (IoT)”** organised by Rajasthan Technical University and Anand International College of Engineering, during 10th – 14th March 2021.
- TEQIP-III Sponsored 5-day Faculty development Program on **“Applications of AI in Healthcare”** organised by Rajasthan Technical University and Arya College of Engineering & IT, during 27th – 31st January 2021.
- One Week AICTE Sponsored Short Term Training Program on **“Predictive Analysis using Artificial Intelligence (STTP-PAUI)”** organised by Department of Computer Science and Engineering, NRI Institute of Technology, Agiripalli, Krishna Dt., A.P during 2nd – 7th November 2020.
- One Week Faculty Development Program on **“Designing Pedagogies for Online Teaching & Learning”** organised by NIT Kurukshetra, Engineering College Bikaner, and TEQIP-III during September 23-27, 2020.
- One Week RTU-TEQIP-III sponsored Faculty Development Programme on **“Student Centred Training Methods & Strategies in Higher Education”** during 10th – 14th August 2020 organised by Rajasthan Technical University and SKIT, Jaipur.
- Online workshop on **“IEEE Reference Management tools for Research Articles and thesis writing”**, organized by IEEE Bangalore Section Researchers on 20th May 2020.
- One-week National Level **Faculty Development Program on Latex** in association with Spoken Tutorial, IIT, Bombay, from 4th May 2020 – 8th May 2020, organized by Poornima University, Jaipur.
- 4 Days online course on **“Examination Reforms”** conducted by **Institutional Development Cell, AICTE**, during 29th April – 2nd May 2020.
- Attended **“Russian Energy Week-2018”** and **“BRICS Youth Energy Summit”** during 4th – 6th October 2018 at Moscow, Russia
- 2-Weeks AICTE Sponsored Faculty Development Programme on **"Deep Learning in Big Data Analytics"** 6th – 17th November 2017 @ SKIT, Jaipur
- Certificate for completion of Latex Training offered by the Spoken Tutorial Project, IIT Bombay, funded by MHRD, India dated: 26th July 17.
- 5 Day National Workshop on **“Agile Software Development”** by **Infosys Technologies, Chandigarh @ NIT, Kurukshetra**
- Two Month Sabbatical Program at Infosys Technologies, Chandigarh
- Participates in a **MISSION 10X** workshop conducted by **WIPRO & ISTE**.
- Represented college in the **Faculty Enablement Program (FEP)** organized by **Infosys Technologies in Chandigarh DC**.
- Participated in Faculty Development program **"Beyond the Beats"** organized by **CIEED INDIA**.
- Participated in workshop on **“Cloud Computing”** organized by **TCS at JECRC, Jaipur**.
- Certified by Oxford University under Dale Carnegie's Certification for **"High Impact Teaching Skills (HITS)"**

Educational Qualifications

- **Doctor of Philosophy (Ph. D.)** in Computer Science & Engineering from Banasthali Vidhyapith, Rajasthan.
 - **Thesis Title:** Index Point Detection and Semantic Indexing of Educational Videos using Deep Learning
 - **Year of completion:** 2022
- **Master of Technology (M. Tech.)** in Information and Communication Technology, from Suresh Gyan Vihar University, Jaipur, Rajasthan
 - **Thesis Title:** Globally Recorded binary encoded Domain Compression algorithm in Column Oriented Databases
 - **Year of completion:** 2011
 - **Marks obtained:** 64.3%
- **Bachelor of Engineering (B. E.)** in Computer Engineering, from University of Rajasthan, Rajasthan
 - **Year of completion:** 2003-2007
 - **Marks obtained:** 69.35%
- **XII/Senior Secondary**
 - **Year of completion:** 2003
 - **Marks obtained:** 64.3%
- **X/Secondary**
 - **Year of completion:** 2001
 - **Marks obtained:** 62.6%
